

Local Public Consultation - Proposed branch move

What we're doing:

We're proposing to move this branch to new premises. If the move goes ahead the branch will change to one of our new **main** branches.

What this would mean:

- a modern branch in newly refurbished premises
- the same Post Office products & services you're used to
- selected Post Office services also available at the shop counter during shop opening hours
- improved accessibility

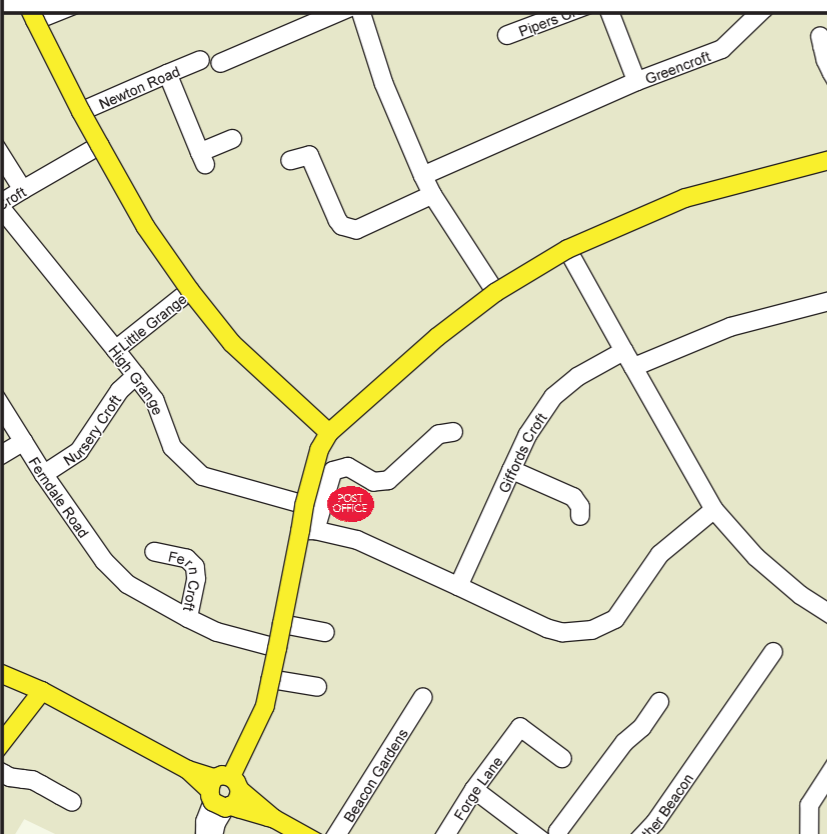

What happens next?

We're carrying out a local public consultation on the new location and we'd like you to let us have your views. There's a leaflet available in branch with more information or if you have any questions or comments get in touch.
